

Space Symposium Innovate Pitch Competition

April 9, 2025

2-4pm

Broadmoor Hotel
Colorado Springs, CO

Pitch Your Company. Accelerate Innovation. Shape the Future of Space.

The Space Symposium Innovate Pitch Competition is your chance to pitch your groundbreaking solutions to top leaders in the global space industry. Hosted by Space Foundation in partnership with Starburst, this exclusive competition is part of the 40th annual Space Symposium, the premier global gathering of the space community.

Why Apply?

Unparalleled Exposure: Pitch to top leaders from US gov't, venture capital, and commercial decision-makers in the space sector.

Networking Opportunities: Connect with industry movers and shakers at an exclusive, invite-only event.

Winner's Prizes :

5 hours of consulting from Space Foundation's Space Commerce Institute.

A 1-year subscription to The Space Report.

2 tickets to the 41st Space Symposium in 2026.

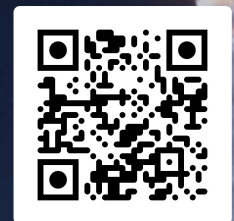

Key Details:

Open to global ideas (not limited to U.S.-based companies).

Applications should highlight innovative solutions, team expertise, and market readiness.
